PRESIDENT'S MESSAGE

We have completed our 54th year as an organization of many members. It has been my honor to be your President for the last year and a half. I have the honor of having made awesome friends that excel with kindness and wisdom. Our YL System has continued to prosper due to the strength and dedication of our YL Member Family.

Because of the demands of life, we have sadly lost members for many reasons, but we continue... We have dedicated controls and members that welcome all with kindness, friendship and laughter... A light in the darkness... Please keep all of our members and their families in your prayers.

We are strong because our members take our Credo to heart "We believe in the dignity of man."

33, 88,73 – Blessings
Bobbie K4ZGH
President

FROM THE EDITOR

As with the prior two years, I want to express my debt to my XYL Anne KC3EYB. Without her assistance, this publication would consist of six pages with two stick figures.

YLISSB SCHOLARSHIP

Bob Percefull NC4RP

In approximately 1989, the membership of the YLISSB made the decision to give an annual monetary scholarship award to any YLISSB member or a direct descendant. At that time, the amount of the scholarship was \$500. After a few years, it was changed to \$750, and then was raised to \$1,000 per year. Two \$1,000 scholarships were issued in 2016.

Where does the money come from? This money can only be raised if the

Members contribute to the fund. The money comes from five different sources:

1. **Memorial donations given in memory of SK's.**
2. **The boutique table sales of donated items and auction at Convention.**
3. **Monetary donations given when any member decides to donate.**
4. **Money from the Under Worked-Over Paid Award**
5. **Donations from the database downloads.**

Send all donations for the **K4RHL Scholarship Fund** to:

Bill Phillips, W7AJP
87298 Chinquapen Loop
Veneta OR 97487
jwpjr@hotmail.com

At our recent Convention, we have broadened the criteria for qualifying for application for a scholarship to include other family members, such as nieces and nephews.

To date, we have helped numerous students. We have received positive responses and thank you cards from those we've helped. We have been successful in assisting members and family members in furthering their education. But, we cannot rest on our laurels. We must continue to support the scholarship fund with our gifts and donations.

Each donor is personally thanked when they offer a memorial donation, and, when a donation is made, the family of the SK is notified of the donor's name and the gift received. Let's keep up the good work.

APPLYING FOR A K4RHL SCHOLARDHIP

To Apply for SSB'ers \$1000 Annual K4RHL Scholarship, any paid up SSB'er or member of her/his family entering or currently enrolled in a college, vocational school or an accredited institution of higher learning is eligible. Applications for this award are located in the forms section of this publication, near the back, and must be returned to:

Bob Percefull NC4RP
4409 Grassy Field Drive
Raleigh, NC 27610

Deadline for submission is March 31, 2018

TOP FLIGHT OPERATOR

TFO Votes – Only dues - current holders of TFO certificates are eligible to vote for new TFO's. Each TFO holder has one vote per month, for twelve different candidates per year. Vote only once for each candidate, and keep a record of those for whom you have voted. When a candidate accumulates ten votes from ten different TFO holders, their TFO number will be issued. NOTE: With your December vote, remember to include one choice for TFO of the Year.

When sending in YOUR vote, please include YOUR call sign. This is VERY IMPORTANT. Send your votes to:

Each year many of us (including family and friends) gather for a wonderful time at various locations in the North American region. Places of past conventions include Hawaii, Barbados, Canada, Alaska, Colorado, Halifax, Nova Scotia, Washington State, South Carolina, California; Texas, Tennessee, North Dakota, and Indianapolis.

CONVENTION 2018

The 2018 Convention will be held in Lancaster, PA. More information about the 2018 Convention is included later in the Voice on Page 35

YLISSB DATABASE

The YL System has a **database** and **search program** that was written and donated by Allan, VE4ABU. Jim, VA7JSF, maintains this information. A copy of this program may be obtained by downloading it from our website. There is no charge for the program; however, a \$20 donation would be appreciated. Any donation goes directly to the SSB'ers Scholarship Fund. All information on the database is derived from QRZ. Com, so please keep your information updated there, as well as with the system.

MEMORIAL BEQUESTS & DONATIONS

The Board of Directors of the YLISSB has voted to establish a fund within the YLISSB to receive any bequests and/or donations. The purpose of the fund is to insure continuance of the System. It will serve as a "rainy day" account, or can be used for any purpose that is voted upon by the Board of Directors, as long as that purpose furthers the continuance of the System. IF you wish to remember the YLISSB in your will, please mention the **YLISSB Memorial Bequest and Donation fund**, and contact the YLISSB Treasurer for the Tax ID number. We thank you in advance for thinking of us.

YLISSB CREDO, MOTTO, PREAMBLE, GUIDELINES & CLOSING STATEMENT

OUR CREDO

We believe in the dignity of man.

OUR MOTTO

Dedicated to the building of friendship among all people of the world, and to be of service to our fellow man wherever they may be through Amateur Radio

Check-in ... Check-in ... Check-in

OPENING THE SYSTEM

All System Controls will uniformly open the Systems. Each control will be guided by the following standard.

PREAMBLE

It is now _____ Z, and time to begin the _____ portion of the YL International SSBer's System. Any licensed amateur is welcome to participate with us, whether a member or not, but to earn system awards, you must be a paid up member.

We are using Netlogger as our primary logging tool. Netlogger download and assistance**, information concerning membership, and details of the YL System can be found at our website, www.ylssystem.org. If you do not have internet access, the control stations will furnish you with contact information*.

When checking in or re-checking into the system, please give your call sign using phonetics.

This is: (Call Sign), My Name is: (Name)_____, Located in: (QTH), my sideband number is: (Sideband #)_.

Co-Control(s) for this period will be (Co-Control(s) Call Sign).(Call Co-Control(s))

GUIDELINES FOR CONTROL STATIONS

First ask for DX, then Mobile and Low power stations. Then pass control to other control(s), and ask them to do the same. Then turn back to primary control station to ask for general check ins.

First time check-ins should be referred to the web site for information.

Ask if we can send a one-time e-mail if they have an e-mail address. Then send e-mail to Steve, K4PHZ, at K4PHZ@live.com, and he will send them an e-mail.

Encourage stations to use phonetics when checking in and re-checking on the system.

Keep control for 10 check-ins or ten minutes, whichever comes first, then pass it on. If band conditions are bad or check-ins light, pass the control sooner to see if other control can pick any up.

Always ask for relays if you cannot hear.

Encourage other member stations to put out calls. This will not only increase participation and coverage, it will encourage stations to become involved as control stations which are always needed.

If information is requested for Netlogger assistance or written information about the system, furnish the following:

* Information Officer, Bob Percefull NC4RP, nc4rp@aol.com

** Netlogger guru, Bob NC4RP, nc4rp@aol.com

YL SYSTEM CLOSING STATEMENT

NOTE TO CONTROL STATIONS: *This statement is meant to be used when closing the system at the end of the day on 20 meters, or end of a session when no control will be continuing the system, i.e. weekend 20 meter sessions, end of 40, 80, 15 or 10 meter sessions.*

It is now ___Z, and time to close the YL ISSB System. We operate on this frequency (daily, week days, or day of the week), beginning at ___Z. Please visit our website at www.ylssystem.org for other operating frequencies and schedules. You will also find information about Netlogger, membership, and the history of the system.

We would like to thank all of the stations who checked into the system today, and also the control stations who make the system possible.

This is (your call sign) returning the frequency to general amateur use. 73

TO ALL SYSTEM CONTROLS

Required Reading

JET PROPELLED SYSTEMS

The thought that should be uppermost in the mind of SC's is to brilliantly execute a fast moving and efficient System. Nothing is more boring than a drab, slow-moving System. Systems should be warm and enthusiastic. The tone of voice of the Control reflects personal interest, or lack thereof, and an indifferent approach is immediately recognized and felt by all. DX members are SSB'ers strength, in that they not only represent glamour but also when they serve as SC's or assist SC, their appeal is evident by the increase of check-ins. They do excellent jobs in this capacity. DX are never to be neglected, and happily seldom are.

SSB'ers COMMISSION

is embodied in our Credo and Motto. Emergency traffic takes precedence over all else.

NEXT IN LINE

of importance is that we consider well the broad spectrum of world-wide public relations in keeping with our MOTTO. SC's are SSB'ers most active AMBASSADORS. They should be an inspiration. This is all part of being a System Control.

ALSO IN SUPPORT

of SSB'ers desire for building world-wide friendship (with our Torch of Friendship) and service to mankind, every effort has been exercised to avail SSB'ers of the world's most outstanding Awards Program, certainly the most unique.

SC's

In order to stimulate our awards program, please call attention to YL/OM teams, DX, Emeritus Council members, TFO holders, Devotional persons, etc., who are on frequency. This will alert those members who are working for certain awards.

CONDUCT YOUR SYSTEM

with dignity and warmth, friendliness and charm, courtesy and fairness, with never a hint of selfishness, such as garnering unto yourself as many signal reports as possible while running the systems, or any other manifestation of being SC for your own need. If a station requests your signal report, by all means give it. Otherwise, reserve your contact hunting for when you are not functioning as System Control. This is Public Relations. Though it is less dramatic than saving a life, or other forms of emergency traffic, it is never-the-less an indication of YOUR interest in your organization, and a barometer of YOUR interest in the individual.

IDENTIFICATION

Do not make a fetish of it, but every 20 minutes or so, announce it as the YLISSB System, and listen for a moment which just might be sufficient for an emergency call to be heard.

REMEMBER

An ill-advised word, once spoken, can never be recalled.

SYSTEM INFORMATION - MEMBERSHIP

1. Membership in the YLISSB is open to all amateurs with a valid Amateur Radio license, upon application to the Treasurer with payment of current year's dues.
2. Members with current dues shall have the privilege of participating in all organizational activities, programs, awards and recognition, except those that require a minimum period of membership. Non-members may not participate in any of the organizational programs, awards or recognition.
3. Membership numbers are issued for life. If a member opts not to pay his or her dues, the number is still active.
4. Club Stations may apply for membership in the YLISSB upon application to the Treasurer with payment of current year's dues.
 - A. Club stations will be issued a number in the same manner as any other member. Thus, no Club Station will be issued a special number. K4ICA, with the YLISSB number of #1, and KL7FH #9438 are Memorial Call Signs, and thus an exception to the rule.
 - B. Contacts made with a Club Station that has a YLISSB Number will count towards awards, even if the operator at the time is not a YLISSB member. However, any such operator may only use the Club number when operating on the YL System.
 - C. A form with Suggested Operating Procedures will be made available for all Club Stations, along with the request that the form be prominently displayed for use by any of their operators.
5. YL/OM TEAMS: A husband and wife residing in the same household may join the YLISSB as a YL/OM team. They must both hold valid Amateur licenses. Their dues will be that of a single member's dues, and only one copy of the Voice will be issued to the team. A YL/OM team may also consist of father/daughter or mother/son, sister/brother, but they must reside in the same residence.
6. Family Memberships: The Family Membership consists of any family member that holds a valid Amateur license. All family members may join for the price of one membership, regardless of whether or not they reside in the same residence. However, only one copy of the Voice will be sent to the family. If multiple copies of the Voice are desired, the Family Member must pay current dues to the YLISSB Treasurer, and a copy will be made available.

EMERGENCIES**A Brief Outline of What to Do****AN EMERGENCY BREAKS!**

The System stands by.

To be prepared for any eventuality, you should have, among other things, the telephone number of your nearest Coast Guard, Highway Patrol, and main Airline. You may need to call airline for information on schedules that could transport to the destination the medicine or whatever supplies are required.

STATESIDE EMERGENCIES

Present fewer problems than DX due to the proximity to metropolitan areas and public service established with the U.S. This provides almost instant assistance. The call for corneal transplants, blood, and whatever else, can normally be provided within an hour.

MARITIME EMERGENCIES

First you obtain from the vessel in Distress:

- Operator's call
- Name of vessel
- Longitude and latitude
- Lifeboats and flares aboard.

Then telephone the Coast Guard SEA-AIR RESCUE nearest the vessel. Also, inquire if medical assistance is required.

Naturally, each emergency will be slightly different. In any event, always get the proper info, alert the Coast Guard, and stand by until you are sure the Coast Guard is on the way to help.

DX DELIVERY PROBLEMS

The most EXACTING are calls from DX for immediate delivery of medication, blood serum, etc., for a life hanging in the balance, or vital medical equipment unavailable at their location needed to perform a surgical procedure. Get the following information:

- Name of the Doctor
- Name of the patient
- Name of medication (spelled phonetically)
- Name and/or location of nearest Airport
- If someone will be there to receive the items

Request the DX station to stay on frequency until further information is verified and/or given. Contact a Doctor or Pharmacist, preferably in a location/city nearest the country that the items will be shipped, or locally, get their name and ask if these things are available. **IF IT IS WHOLE BLOOD** or blood serum, a hospital will prepare it for packaging. Get the schedule for the first flight out to this destination area, and notify the DX station of the progress. In the event that the recipient is unable to cover or bear the expense, simply send the bill to the SSB'ers.

HIGHWAY EMERGENCIES

Notify the Highway Patrol/State Trooper dispatch of the accident with a good description of the location (i.e.; mile marker #, landmark, exit #, etc.) and if medical or ambulance assistance is required. When message traffic is prolonged and time lapses during the actual progress, notify the System to carry on, but listen for possible breaks.

IT IS IMPORTANT

that you do **NOT** clutter the System frequency with extraneous remarks or interruption unless you have VITAL information. SC will request assistance if needed...otherwise please stand by in the event you ARE needed.

SYSTEM CONTROL REPORT

Should be filled out by the SC and sent to the SSB'ers President. Outline what happened, who was contacted for help or for the actual item requested, and any other pertinent information that took place during the emergency. Be sure to include the date, time, etc.

REMEMBER

Everyone, always be alert for emergencies. They will probably be weak signals and could come from any direction and region of the world. Be helpful when asked, otherwise exercise good operator skills by Listening, only. While it is tempting to jump in and help, it may add to a chaotic confusion and undermine the progress of the System as well as the progress of handling the emergency.

2017 YLISSB CONVENTION
GENERAL MEETING MINUTES
Edinburg, Indiana
June 17, 2017

The meeting was called to order at 9:00 am by President Bobbie Livingston. Attending officers and Board Members were: President Bobbie Livingston K4ZGH; Treasurer Bill Phillips W7AJP; Secretary Rose Rybachek KL7FQQ; Directors Gloria Wells K4DXM, and Larry AB3TY. Present via Skype were: Assistant Secretary Judy KC7KPG, and Vice President Nancy KG0YL. Seventeen members and one guest were present. Board members, general members and guests were introduced.

INVOCATION: The invocation was given by Bill W7AJP.

MINUTES: The minutes were read by Secretary Rose KL7FQQ. Bob NC4RP **MOVED** that the minutes be approved as read. Nancy KG0YL **SECONDED, CARRIED.**

FINANCIAL REPORTS: Treasurer Bill W7AJP, reported that we have money in the bank, and that the Scholarship fund continues to grow. Bill W7AJP **MOVED** to adopt the report. Nancy KG0YL **SECONDED.** Bill then recapped his report, including the three accounts dedicated to the Scholarship fund. The reports were voted on and **APPROVED.** Bill then reviewed the proposed 2017-2018 budget. Bob WK8Y **MOVED** to accept the budget as presented. Gloria K4DXM **SECONDED, CARRIED.**

SCHOLARSHIP REPORT: Bob NZ4RP reported that we had issued two scholarships. One was issued to Alvina Milner, who was the daughter of Doug, K5ZMX. The other scholarship was issued to Kennedy Kirshemann, granddaughter of Leon, K0LU. Bruce K9ICP **MOVED** to accept the report. Nancy KG0YL **SECONDED, CARRIED.**

PRESIDENT'S REPORT: Bobbie K4ZGH read the President's report. There was discussion about the start time of the 15 meter system in the report. It was the consensus to change it to read: an hour before the start of the Sunday Moonbeam, instead of 2000 Z. Gale KK4DYI **MOVED** to accept the President's report as amended. Nancy KG0YL **SECONDED, CARRIED.**

REPORTS: All reports will be printed in the 2018 Voice.

Convention: the report was given by Bruce K9ICP. Thank you to all those that attended:

Ambassador: the report was read by Bobbie, K4ZGH.

Awards: the report was given by Randy K4KRK. In addition to the written report, he urged those applying for the awards to be sure to include the name of the award they were applying for, plus put their call and name on their application.

The **TFO** report, **Chaplain's** report and **Condolence** report were summarized by Bobbie, K4ZGH.

Communicator: the report was given by Nancy, KG0YL.

Voice: The report was missing. It was discovered that the Secretary, when preparing the brochure, had inadvertently left it out, replacing it with the Moonbeam report. Fortunately, Larry AB3TY was able to locate it on his laptop, and read it. The Secretary was saved by this heroic action from being tarred and feathered. Larry reported that the circulation for Voice #66 was 474, CD's accounted for 16 and 70 were e-mailed.

Facebook: Bobbie read the Facebook report prepared by James, KB7TBT

Member Certificate: Jim VA7JSF reported that the Member Certificates were well received by the new members, but the older members did not often request certificates.

Web Page: Jim VA7JSF reported that the counter was still not working on the web page, and that they were trying to get the online hookup back in order. He has negotiated a 5-year contract for \$362.00 Canadian, which, with the current exchange rate, is \$268.25 in American money.

Historian: President Bobbie reported that no report had been received from the Historian. Kevin has been in poor health, and Bobbie asked for prayers for him.

Information Officer: The report was given by Bob, NC4RP

Net Logger Manager: The report was given by Bob, NC4RP

Public Relations, System Controls, and Veterans reports were summarized by Bobbie, K4ZGH.

Rose KL7FQQ **MOVED** that we accept all reports as presented. Doris K8DXJ **SECONDED, CARRIED.**

OLD BUSINESS: The **Nominating Committee** report was given by Chairman Gloria K4DXM. Nominations were: President, Rose KL7FQQ; Vice-President, Gloria K4DXM and Nancy KG0YL; Secretary, Bruce K9ICP and Elsie N0ESJ; and Director, Larry AB3TY and Bob WK8Y. Randy K4KRK **MOVED** that the nominations be closed. Bob NC4RP **SECONDED, CARRIED.**

Scholarships for 2018 was discussed. How many should we offer, and what should be the amount? Jane N1PVT **MOVED** that we offer four scholarships in the amount of \$1000 each. John KC2ATK **SECONDED, CARRIED.** It was clarified that if an applicant is not selected to receive a scholarship, they are eligible to reapply for one in following years. Once an applicant has been awarded a scholarship, they are ineligible to receive any further scholarships.

Condolence chairman. Joan W4JMJ, who has served as Condolence Chairman for approximately 9 years, is retiring as of June 1. President Bobbie asked for volunteers for this position. Jim KE9PK bravely stepped forward and volunteered. Diane K4DMW agreed to be his assistant. Bob WK8Y **MOVED** to appoint Jim as Condolence Chairman, with Diane as his assistant. Bruce K9ICP **SECONDED, CARRIED.**

Other Old Business: Bill W7AJP raised the issue of the distribution of the Communicator. Nancy replied that Judy KC7KPG has taken over the distribution. There was some discussion about sending an e-mail to members alerting them to the fact that the Communicator had just been posted to our Web page instead of attaching it to an e-mail. It was suggested that when a new issue of the Communicator has been published, the information be posted on AIM, and controls make periodic announcements regarding the availability of the new Communicator. No action taken on this issue.

NEW BUSINESS: Volunteers for the **Nominating committee for 2019** were solicited. After only a little arm twisting, the Committee will consist of: Chairman Bobbie K4ZGH, with members: Jim VA7JSF, Bob NC4RP, Larry AB3TY and Nancy KG0YL.

Convention 2018 was discussed by Larry AB3TY. He is making progress, and hopes to have a contract in place by the end of the next week.

Convention 2019 was discussed by Rose KL7FQQ. She has invited the System to come to Fairbanks, Alaska. She will get more information and keep the Board informed. The consensus was that the members are willing to go to Alaska in 2019, and that the dates of early June would be the best.

Bob WK8Y **MOVED** to adjourn. Bob NC4RP **SECONDED, CARRIED.**

Meeting adjourned at 11:35 AM.

Respectfully submitted:
Rose Rybachek, KL7FQQ
Secretary

YISSB WORKSHOP

June 16, 2017

The Workshop was called to order at 2:00 PM by President Bobbie, N4ZGH. The following topics were discussed.

1. Should the YL System curtail its hours by cutting out the 1st hour? After discussion, the consensus was that we should not.
2. One member was concerned that the YL System was using too much technology, and was getting away from being a radio system. It was stated by several members that ham radio is changing, with the digital, tv, etc. The only technology that the YL System uses is Net Logger. Net Logger allows the System to operate more smoothly, and does not usurp the role of the radio. Contacts must be made using the radio.
3. The issue was raised of adding the birth month of members to the YL System Database. Bob replied that it could be done, but would be a herculean task, and he would need help doing the data entry. It was stated that having the birth month on the data base would make obtaining the award for that month too easy. It was suggested that we change the requirements for the award, and that way, birth months would not be required. Concern was expressed about privacy issues. And, Randy K4KRK stated that only one person had applied for that award last year. Bobbie asked for a vote, Gloria K4DXM seconded, the motion to add birth month to the database was defeated.
4. Randy raised the issue of several awards that need updating. This matter was deferred until the Board meeting.
5. The issue was raised as to who could make changes to the YL System database. Bob replied that only he or his assistant (if he had one) could. It was suggested that we revamp our Policy and Procedures Manual to include information for controls as to how they should use Net Logger and the data base.
6. It was brought to our attention that many applicants for membership use Paypal to send in their money, but are not correctly using the application form. Thus, the treasurer receives the money, but must track down the applicant. Jim and Bill will work on this issue, and hopefully be able to clarify for use of applicants.
7. A discussion was held regarding the change of controls. When using Skype, those that are not on Skype sometimes do not know who has control. It was suggested that when passing control, it is made clear on the radio who you are passing control to.
8. Jim raised the issue of members that change their e-mail address, or mailing address, and do not let the System know. Without that information, important communications are lost.
9. New member Jim, KE9PK expressed his appreciation to Larry, AG5Z, for his welcome to the YL System.
10. The history of the YL System was discussed. Our Historian is in poor health, and concern was expressed about the historical record that now resides in PA. Bobbie will talk to our Historian.
11. Bobbie showed a painting that George, AA4GT had given her. It was of our first logo. It will be given to the historian for keeping.
12. Bobbie read a letter from Barbara, KE5ZI. Barbara expressed her regrets at missing the convention. Barbara also included a patch with our former logo, and some collectors' item QSL post cards. She was in Alaska for the 1964 earthquake.
13. Rose raised the issue of holding the 2019 Convention in Fairbanks, AK. It was well received, and will be discussed at the Board Meeting.

NC4RP Bob moved to close the workshop. Gloria, K4DXM seconded, carried. Workshop closed at 3:09 PM

PRESIDENT'S REPORT

Greetings from Florida

This annual "Voice" as well as the "Communicator" hold the history of our wonderful Club. I encourage you to follow the "Communicator" online, and enjoy this copy of your "Voice." Larry, AB3TY, our Editor and his wife Anne, KC3EYB work very hard to get out the information about our System, our Governing Body and our members. Included with the "Voice" you will find a Registration Form for our 2018 Convention, a Dues Renewal Form (due before March 31st) as well as the Ballot (deadline March 15th). Please note that you must be a paid-up member in to vote. One of the great benefits of membership is that you receive a copy of this "Voice." Also enclosed is an application for the Scholarship Award which must be submitted before March 31st.

Convention 2018

Our 2018 Convention will be hosted by Larry, AB3TY, and Anne, KC3EYB. It will be held in Lancaster, PA, June 11th thru June 14th at the La Quinta Hotel in Ronks, PA (Phone 1-171-392-8100). Be sure to check out the information within this "Voice" as well as on our website – www.ylssystem.org.

Convention 2019

Rose, KL7FQQ is currently making plans for this wonderful Convention to be held in Fairbanks, Alaska. It will be an exciting event which you will not want to miss.

TFO of the Year

The TFO of the year was announced on the Sunday Moonbeam Warriors Session. Please see our TFO listing here in the "Voice." We value each and every TFO for their service and dedication to our wonderful System.

First Period Coordinator

Gloria Macomber, AC0KV, would like to step down as Coordinator to spend more time with other interests and family. If you would be interested in this First Period Coordinator position, please contact any one of our Board Members to volunteer. Their e-mails are listed here in the "Voice." Give it a try. We wish to thank Gloria for her time and talent in running the First Period for so many years. Gloria will remain until Spring as the First Period Coordinator.

New Year

We are entering a new year. We wish you Laughter, Love, Health, and Friends to share it with. Live each day as if it were your last and find joys in every encounter.

Blessings to all, 73, 33, 88
Bobbie Livingston, K4ZGH
YLISSB President

AMBASSADOR COMMITTEE

Hi Everyone; It's Bob Franson, KD0USN again with another Ambassador Coordinators Report.

As is always the case with the YL System, we have a group of members who have gone above and beyond the call of duty. That's the main reason for the Ambassador Award and we've got a great group of deserving members again this year. I won't spoil the surprise by listing their names, but you'll recognize them when you hear them.

The members being recognized this year truly live up to the credo of the YL System, "we believe in the dignity of man."

They also live up to the YL System moto..." dedicated to the building of friendship among all people via amateur radio."

The new selectees for this recognition have demonstrated by their words, deeds and actions that they believe in both the creed and the moto. The words "HONOR, DEDICATION and FRIENDSHIP" are not just mere words to these members, they are words they live by. They are the words that drive the YL System and have done so for over 60 years.

I add my heartfelt thanks for all they've done and my most sincere congratulations to all of the new recipients of the Ambassador Award. May they have "fair winds and following seas" throughout all the days of their lives.

Having no further business to report, I close with a very warm 73 to one and all. I hope you have a ball at the convention.

Sincerely,
Bob Franson KD0USN

ANNUAL AWARDS REPORT

It has been an eventful year in the world of awards. With the change of officers last year, Skipper Delius, W4VTH, retired as Awards Coordinator, and Bobbie asked me to take the position.

Barbara Neiman, KE5ZI, our long-time awards manager retired. Barbara's contribution and service to the YL System is greatly appreciated, and she will be remembered as a faithful member. With her retirement, I also assumed the position of Awards Manager for the awards that she had managed.

I wish to thank all of the folks that labored in the awards arena... Barbara, K5ZI, Bruce, K9ICP, Nancy, KG0YL, and Judy, KC7KPG who does such a wonderful job managing the TFO program.

This year we established three new awards, The Eyeball Fellowship Award, The Louisiana Purchase Award, and The Moonbeam Weekend Warrior Award. Other awards have been modified with the view of increasing usage, or just updating them. All of the changes and additions are on the Web Site, and will be in the next issue of the Voice. All of the special monthly awards and the special day on the system awards have had the certificates updated. Some received minor changes, and others were completely redone. We are trying to keep the certificates fresh so that members will have different certificates for each year that these awards are earned.

The number of member stations that are working toward awards has fallen. This year we issued only 37 awards. All but four of those were monthly or special day awards. Only nine member stations earned awards. We would certainly like to see both the number of awards issued and the number of participating stations take a sharp jump for the next year.

I would like to urge all of our members to take part in the awards program. You can earn some nice certificates and it's fun!

We currently have 46 awards available for our members, in addition to the 24 monthly and special days on the system awards. Please have a look at the Voice for these great opportunities to earn some nice certificates. We are always looking for suggestions for some new awards. If you have an idea, please let me know. See you on the radio!

Randy Upchurch, K4KRK
Awards Coordinator

REPORT OF TOP FLIGHT OPERATOR CERTIFICATE

There were 20 TFO Certificate awarded in 2016. So far in 2017, there are 6 TFO Certificates awarded. To receive the TFO Certificate each Member must receive 10 votes from 10 different TFO Certificate holders with current dues. They can vote one vote each month. The Member must be a member for at least one year before receiving their TFO Certificate.

In 2017, 26 TFO Certificate holders have voted. This is an increase from 2016. Sending reminders to the TFO Certificate holders has increased the voting.

The postage receipts for sending out the TFO Certificates were sent to Treasurer Bill W7AJP who applied the funds as dues remittance.

It is an exciting time when a deserving Member receives their 10th vote. Here are the list of TFO Certificates awarded in 2016 and 2017:

CHAPLAIN REPORT

Over the past year, I have sent five personal notes of support and condolences to families and friends of deceased member as I was notified of the passing of those saints among us. My ice storm damaged tower and yagi are soon to rise again and I look forward to a more active year. We are blessed to be part of YLISSB, for sure.

EDITOR – THE COMMUNICATOR

I am happy to report that the Communicator and its editor are doing well. The membership has been very willing to keep me aware of happenings with our members which makes each issue much better, and more interesting. I hope this continues so each Communicator is better than the previous one.

Please email me with anything relevant to the system and I will certainly include it. nancyyoshida@live.com. Thank you all for help and support.

EDITOR – THE VOICE 2017

This is year two for me as Voice Editor. Once again, if it were not for my XYL Anne KC3EYB, News Letter NO. 66 would have consisted of four pages with three stick figures.

Callsign Changes and Expired Licenses have been removed. Several members have inquired as to why the deletions. The answer is simple—we lost Gene W9WFE. Gene's passion was minutiae, trawling QST for SK listings and other databases for Changes and Expired Licenses. If it were not for Joan W4JMJ, the SK lists would have been incomplete. Joan volunteered to cull the SK lists in QST, a job that would have totally pushed me over the edge.

The circulation for this edition is 474 of which CDs accounted for 16 and 70 were emailed. If I found a bottle on the beach from which a genie offered to grant three wishes, one would be for *The Voice* to be totally digital. Printing and postage are the greatest costs for the System.

Printing	\$2,352.90
Envelopes & Mailers	178.99
Postage	
Domestic	881.77
International	79.52
Total	<u>\$3,493.18</u>

Additional Postage to mail *The Voice* to new members:

January	\$24.53
February	38.54
March	9.87
April	6.58
	<u>\$79.52</u>

FACEBOOK

The Facebook group continues to grow, as of this report we have 51 members, 22 YL, 29 OM. Members have shown interaction within the group, the page has informational and random content that flows on a continuing basis. As of this time there has not been any problems or any incidents within the group.

The YL-System Facebook page URL is <https://www.facebook.com/groups/yssystem/>
Another way to find the group is to do a search within Facebook for YL-ISSB.

HISTORIAN REPORT

No report received from the Historian – Kevin KN4AA, YL System Historian

INFORMATION OFFICER REPORT

When I assumed the duties of Information Officer, I inherited a plethora of information gleaned by my predecessor. The most important is the YLSystem member database, containing information on over 17300 members; Active, Inactive, and Silent Key. The database allows us to sort the members many different ways and determine statistics as to each of the categories. Currently we have 5617 Active members.

I have a distribution list of YLISSB officers to which I email copies of the database as needed. I can email a copy to anyone who requests it.

The information is used to prepare the following for the annual publication of the Voice:

- Membership Lists – US and DX
- Devotionals, DKNA holders, Teams, North Star Award holders, USA Award holders
- TFO and TFO trophy lists
- Call Sign Changes, Expired Callsigns, Silent Keys
- Rigel Trophy Holders
- The “Special Awards” lists – Founders, Silent Service, Cornerstone and Ambassador Awards

So far in the past 11 months we have recruited 998 new members.

NETLOGGER REPORT

Netlogger version 3.1.5 is currently up and stable. It is available for Windows (W), Apple (M), and Linux (L). Information on downloading and operating the Netlogger program can be found on our website: www.ylssystem.org, or just Google netlogger.org.

As the Netlogger Manager I maintain the Netlogger Database for the YLSystem. Each new member's data is entered into the database on the day they become a member. Each visitor's information is entered when they check in.

Each Netlogger Operator should download the latest club profile when they bring up netlogger or take over Netlogger from another operator at the change of shift. Failing to do so will not guarantee having the current data.

NEW MEMBER CERTIFICATES

The certificate has been a welcome item from the newly joining members. The request from long time members has not been great, but we have had a few.

PUBLIC RELATIONS

BIRTHDAYS/ANNIVERSARIES

Birthday Greetings are sent out in the form of e-cards from a website called "1,2,3 Greetings". The service is free, and the number of e-cards is (theoretically) limitless. At this point in time, all of the information that I received for this (a list of callsigns and birthdates), has been entered into the system. I receive notification when each card is sent, and when each card is opened. My experience has been that a great many, perhaps a majority, of the cards are either bounced back because of incorrect or untimely information in the e-mail address, or simply not opened by the addressee. On the other hand, those cards that are opened appear to produce a universally positive response.

Based on the above, these are the on-going issues:

1. The e-mail system and card program are keyed to my personal e-mail and password. Changing the administrator would not automatically give the new administrator access to the keyed information.
2. Information must be entered manually for each person's birthday. I have not found a method, at least using this website, to batch load the data (using an excel file, for example).

SO, I am searching for a new website that does not have the above limitations. Please be aware that the answer may require we use a service that is not free. I have seen membership costs of about \$20/yr. for some, but the costs may be higher.

In the meantime, I am continuing to manually update as time permits.

Note – All of the above also applies to Anniversaries

WELCOMING E-MAILS TO FIRST TIME CHECK-INS

May 01, 2016 – May 01, 2017

Sending Welcome Emails to First Time Check ins began April 17, 2012. An Excel file keeps the list of the First-Time Guests to avoid sending more than one email to the individual. To date, a total of 7388 Guests are on the list, which is an increase of 2737 from the year before. Of the total, 2955 did not have email address on QRZ to send the Welcome Email. There were 283 that Joined the YLISSB since this project began, 77 of these joined without receiving the Welcome Email. 206 joined that did receive the Welcome Email. There was an increase of 40 guests that joined since last report.

Very favorable Responses continue to come from the Welcome Emails. Many of the First-Time Guests, continue to check in without becoming a Member.

SCHOLARSHIP REPORT

The YLISSB K4RHL SCHOLARSHIP FUND has over the years given a \$1,000 award annually to a deserving student towards higher education. In 2017, we had 4 scholarships available, but only two applicants came forward.

The Scholarships were awarded to: Kennedy Marie Kirschmann, granddaughter to Leon, K0LU and Alivia G. Milner, daughter of Doug, K5ZMX.

We urge parents and grandparents of deserving students to apply for scholarships in 2018, as we have the funds available.

DAYTIME YL SYSTEM COORDINATOR REPORT

The Daytime YL System Schedule changes less frequently than it has in the past year. There are times the Controls must be away due to appointments or other activities; however, substitute Controls are there to fill their spot. There is always need for more Controls in places on the Schedule.

The Period Coordinators in their dedication to the YL System recruit new controls, find Substitute Controls and call on Members to help when they are needed. They invite new Members to join in the fun as a Control. The coordinators manage their Periods outstandingly.

The Controls are so friendly welcoming every Member and Guest that check in. This does not go unnoticed by the response to the Welcome Emails and by the Members. New Generals find the YL System is the frequency to learn more about being a good operator and a fun place to operate.

Netlogger is a great asset to the YL System. More Members and Guests are using it to enhance their operating experience. During poor propagation, it is a Godsend for Controls. There are times, we use AIM for socializing, but it is a path to knowing and understanding the Members and Guests that are on Netlogger.

The YL System is so successful due to all the Coordinators, Controls and Members. They deserve all of our thanks.

SUNRISE REPORT

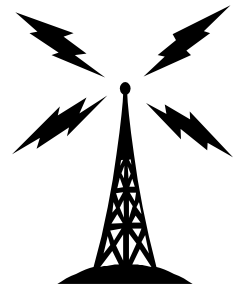

The Sunrise portion of the YLISSB System opens our portion of the radio each morning. We operate three hours each morning at the pleasure of our awesome controls. The propagation has been less than accommodating, but our controls persevere. Check out our schedule and see all the wonderful people who give their time, talent, and kind welcome to all those who check in. The controls look out for each other, lending a hand when it is needed anywhere on the system.

We have acquired new controls along the way, and have lost a few due to life events. but, we continue. I have said before, there will always be a great outcome when you work with great people. I wish to thank every one of our controls for all you do. Your contributions and dedication help keep our system successful.

Bobbie K4ZGH #16735 TFO 528
Sunrise Coordinator, System President

FIRST PERIOD REPORT

We have had changes in controls over the past year, but it has always worked out fine for this period. We began last summer with George VE1GFG from Nova Scotia, but he is temporarily unable to help this year during fire season. We are hoping he is able to return this fall. Bruce KI0JG from North Dakota has been with us for the first hour of the period but currently is without use of a radio for a few weeks. Steve K4PHZ from Alabama helped as a regular control until changing to the second period a few months ago. Judy KC7KPG from New Mexico is a very busy person with the system, but almost always sets up netlogger for us daily. Al AF5VH joins with us from New Mexico and then from Minnesota during the summer. This past winter Bill WQ4W from Alabama joined our merry crew until his calling as a Master Gardener and duties to his garden club this spring had him leave us. We hope to see him again when gardening season slows down.

New to our group this winter, Jim KB7TBT from New York added his strong signal to pull in many check-ins. The latest addition to the controls on first is Rich AD0NP from Colorado. He is very new to the system and stepped in to help us this May. We have worked thru some rough propagation or rather the lack of propagation. Occasionally we have fewer than 20 check-ins but there have been a few days where we shined at 50. We are blessed by other members who help us by acting as temporary controls when asked to cover a regular who must be gone for medical or other reasons.

Gloria Macomber AC0KV
First Period Coordinator

SECOND PERIOD REPORT

I was the coordinator for the 2nd period of the System; Lynn N0PMQ and Elsie N0ESJ have taken it over. While I was there the period kept stable or maybe grew a bit. I find it hard to say I had an influence on the period. John D KE7VSC was an anchor in Oregon. He can be heard across the continent. He is the standard bearer on 2nd. K8DFA Dave in West Virginia is in a fantastic location for 20 meters also. He gets many contacts. James KB7TBT holds the other corner of the American flag in NY. Perfect location and heard in the eastern part and way out in Hawaii too! N0PMQ Lynn in Missouri gets many contacts being in the heart

of the nation. Elsie does better, but we all know a YL contact is preferred. LOL. They do a great team job in Eldorado Springs. Gene AA1XD in Augusta Maine helps when he is away from his honey do's. I have been away from 2nd while I get more comfortable with health. I will allow Lynn and Elsie to finish reporting on 2nd. Thank you, guys. I really had to take time away. My issues here at home were and still cause me some difficulties where my hobby is hard to enjoy. I am on my way back!

Steve, K4PHZ

SECOND PERIOD – Continued

Elsie and I have only been 2rd Period Coordinator for a short amount of time and We want to thank everyone who has helped us. With conditions being as bad as they have been, acquiring over 40 check-ins' is a very good day on the YL System for the 2nd Period.

But with the talented team of controller's that we have we will do our best. Our current great Controller's on Second Period are, John KE7VSC, Dave K8DFA, James KB7TBT, Elsie and I. Other stations have been willing to assist when asked to do so, and as of late, Rich AD0NP and Larry AG5Z have been an immense help on the 2nd Period. It would be very helpful if we had some controller's in the South of the country, with some on the East and West coast. If anyone is at all interested in trying to fill a control spot please let us know and we will get you on the schedule.

The thing that Elsie and I like most about the YL System is the friends that we make every day, unlike some other nets, it's not just about getting contact's though that is ok, most controls are not afraid to take a minute or two, to just talk to our guest, or each other. Let's not forget about the vast knowledge we get from "AIM" and if I have a problem, someone is more than happy to tell me what they think on how to solve it.

73's, Elsie N0ESJ – Lynn N0PMQ

THIRD PERIOD REPORTS RETIRED COORDINATOR, WK8Y

Propagation has hardly improved since last year & recently seems nonexistent here in SE VA. Jane (N1PVT), Joan (NF2J), Fred (K0CE), & Steve (K4PHZ) with help from others (AG5Z, KB7TBT, KL7FQQ, AA1XD, VE1GFG, & others) still have managed to bring in many check ins & new guests to the System regardless of poor conditions. Steve (K4PHZ) continues to be a great asset to 3rd period, helping log when I'm unavailable due to NTS responsibilities and on 2nd hour when Fred or Joan are unavailable. I really appreciate his time and effort. We are in dire need of more Co-Controls & Loggers not only during first hour but on 2nd too. Summertime brings severe weather and other issues that leave us shorthanded often.

We also need coverage in other areas i.e. West Coast, Canada, and SE for scheduled Co-Controls, even if for only 1 hour of 1 day during week. Logging is relatively easy to do & learn with the features available on newer Netlogger versions & QRZ lookup subscription. Steve and I will be more than happy to teach anyone interested in learning how to create and run a log session. Only takes a few minutes to learn basics and adjust settings in Netlogger software. We are also trying to encourage more monthly award participation by adding award contact info to REMARK's Column and updating it often. Hope other loggers decide to promote the awards too.

If anyone is willing to help, please contact Steve (K4PHZ) or myself and let us know what day or hour you are available. 73 and wishing for MUCH better propagation in near future.

John Osborn KD4EAQ

MOONBEAM REPORT

Honor. Dedication. Friendship. This is the motto of the System, but they are words which define Moonbeam controls for which I am extremely proud. Moonbeamers do not know the meaning of the word quit, fighting through terrible propagation, QRM, QRN, QSB and occasional intentional interference.

Unfortunately, the 3rd hour of the Moonbeam has been suspended due to the lack of propagation. This occurred as Winter set in. It was my hope that Spring would bring a reprieve, but it has not been the case.

We celebrated the 1-year anniversary of the Weekend Moonbeam Edition this past Christmas weekend. What began as a question if there would be any interest in having the System run an hour late in the day on Saturday and Sunday, is now a fixture on the schedule.

With the success of the Weekend Moonbeam Edition, I proposed to the Board an award for the Weekend Moonbeam—*The Moonbeam Weekend Warrior*. This stroke of pure genius, Hi Hi, was approved and will begin on July 1st. You guessed it, the 1st is a Saturday. For the months July to December 31, members chasing this paper will need to contact 26 *different* members on Saturdays and Sundays only. On Jan 1, the contact number will be 52 for the year 2018.

10, 15, 40 AND 80 REPORT

From Steve Crane k4phz your coordinator for 15, 40, 75/80 meter sessions; The 2016/2017 years have been remarkable. So many new members last year, guests that have joined us most every day if not day and night. KB7TBT James and K2LAX Jon have led the way in hours in the system working not just 40 meters, but Sunrise, 1st, 2nd and 75 meters. James has endured some hateful weather with "feet" of snow, fighting the high wind events, wind chills well below zero to be on the air and thus hanging out with you and I. AG5Z Larry and James KB7TBT are maintaining our Facebook page, remember to look it over! Jon K2LAX took over on 40 meters while I was recovering from a medicine that tried to, well it did not, do me in. Jon does an excellent job with Netlogger, managing the system and telling our visitors what the system is about. We owe James and Jon a big Thank You for helping just at the right time and without complaint. All the active NCS members have been a great window to see that the YL System is a wonderful place to be during the day and night. We have members and guests that have completed W.A.S. It is such a fun event to hear any station get their last State.

The 40-meter session has grown and was having trouble getting all the stations checked in last year and we had some loss because of this. I decided that a 2-hour session was the right fit. Boy, was it! We started having 30 to 40 stations each evening. The member support has been wonderful and the guest count that are repeats grow more each day. Today, we are back to running 1 hour. The AM broadcast in first hour is deafening since daylight savings began, we tried to do 2 hours, but I thought more of our NCS controls than the poor conditions and aggravating stations that wanted to join in. So, all summer, until November we will be an hour in length, 23:00 until 00:00. We have such dedicated members, when 20 meters closes, the participation helps us no doubt.

Our staff today: KI4TXP JAY FLORIDA; K8DFA DAVE WEST BY GOSH VIRGINIA; KB3ITJ JERRY PENNSYLVANIA; K2LAX JON NEW JERSEY; KB7TBT JAMES NEW YORK; N0PMQ LYNN MISSOURI; N0ESJ ELSIE MISSOURI; K3EDP BOB PENNSYLVANIA; RELAY HELP OFTEN IN THERE WITH US K5SSL TERRY ARIZONA; KD0VEP LEO KANSAS; KX9KX TOM CALIFORNIA; KI7IIM PAUL ARIZONA; KC2UZT JOHN IN MAINE.

Looks like a lot of controls, right? Each one has contributed many times on the System on every period.

Let's look at 75/80 meters! KC2DHU Jim in NEW YORK and KD4EAQ John or LJ as we all know him. These 2 guys are the anchor of 75/80 meters. It's not growing as fast as 40 meters and I take the heat for that. I am not always able to go the extra hour to assist the System from my area. Guess who hangs out with Jim and LJ! Jon K2LAX, James KB7TBT, N0PMQ Lynn. I have profound respect for these guys. 75 isn't like 40 or 20. Propagation doesn't carry as well from NE to SW so we do miss out on coverage. I hope to expand this System so we have better coverage east and west. North and south. I haven't asked yet because control help isn't there yet. Soon, soon we will be able to cover America and get check INS from all 50! The guys here on 75/80 have lots of regular check INS, guests and members. The biggest struggle for 75/80 today is time; we might look at another time, not change, but a complete Session to allow members on west coast to enjoy what we enjoy today. Keep it real and simple. Let's get together and put a plan together.

Personal note; The System has been a terrific way to enjoy everyone, from the NE where we have Gene AA1XD and KC2UZZ, KB1TUY, SE where there is Howard KK4AED our President Bobbie K4ZGH, Roger N4ZGH, Paul KK4III, SW K5SSL Terry, W7QHZ Martin, Tom KX9KX NW, John D KE7VSC and W7CAR Dave. I know everyone in the system knows more than one of these. So many great members in between. AB3TY Larry TFO of the Year, and AG5Z Larry...there aren't enough words for Larry. He has helped on each Period, Session, Good conditions and the worst. He doesn't complain he just points and steps on the gas. A long time amateur, over 103,000 contacts made worldwide. I want to thank all the stations I mentioned because you have helped me somewhere along the daily journey of the YL SYSTEM. Remember when you look in the mirror tomorrow, you HAVE made a difference! You have put a smile on someone's face. CQ CQ, Check INS Check INS. Without you asking and someone somewhere saying, "I have a copy", it's just work, not a hobby.

Please help the controls, we are shorthanded some. Please, please support us all and keep it fun for the whole family. There are 9-year-old guests all the way up to experienced amateurs like me. We all teach, the hard part is learning. The only thing needed is effort.

DO UNTO OTHERS AS YOU WOULD HAVE DONE TO YOU Have a great 2017/2018! Life is where you take it, enjoy the trip, or stay home! I am QRT

Nothing new to report. We are still working on getting the on-line lookup working. It seems to be harder than it should be. The hit counter has not been working for a while and we are in the process of getting that fixed. It could be done before this report is completed or submitted.

YLISSB BOARD MEETING MINUTES

Edinburg, Indiana

June 17, 2017

The meeting was called to order by President Bobbie K4ZGH at 1:35 PM. Board members present were: President Bobbie K4ZGH; Treasurer Bill Phillips W7AJP; Secretary Rose KL7FQQ; Directors Gloria K4DXM and Larry AB3TY; and on Skype, Vice-President Nancy KG0YL.

MINUTES: The minutes were read by Secretary Rose KL7FQQ. Gloria K4DXM **MOVED** to accept the minutes as read. Bill W7AJP **SECONDED, CARRIED.**

OLD BUSINESS: Convention 2018 was discussed. Larry AB3TY has been working with a hotel near Lancaster, PA. The board was polled, and Larry was given the go ahead to continue with his arrangements.

Swap and Sell: President Bobbie read the letter she had written to John, KC2UZT in 2016, regarding the Board granting him permission to operate a Swap and Sell after the Saturday moonbeam, with the program to be reviewed after it had been in existence for one year. She read his reply, which was, essentially, that he was unable to go forward with the project. The Swap and Sell never got off the ground.

Eyeball Award: Randy K4KRK reported that the Eyeball Award had been approved, and went into effect on January 1, 2017.

Facebook page: President Bobbie reported that the Facebook page was in operation. It has not been up and running for very long, but is doing very well. However, it was supposed to be reviewed within one year. Bill W7AJP **MOVED** that we extend the time for review until the 2018 Convention. Gloria K4DXM **SECONDED, CARRIED.** Larry AB3TY tried to third it but he was ignored.

Outreach committee: Bruce K9ICP stated that he had inadvertently overlooked his role as Chair of the Outreach Committee. He would do better this year, and report to the next Convention.

Awards: Randy K4KRK, Awards Chairman, proposed that we suspend the Special Day Awards for the upcoming year. After discussion, Rose KL7FQQ **MOVED** that we suspend the Special Day awards beginning December 31, 2017, and visit the issue of the Special Day awards at the 2018 Convention. Gloria K4DXM **SECONDED, CARRIED.**

Randy then discussed his concept of a new award. This would be a 50-year Plaque that would be given to members that had been System members for 50 years or more. He stated that he knew of two that were still active, W5PDW and KL7FQQ. There was discussion about how the award would be issued. Would the recipient have to notify the System? Would System members notify Randy as to someone they thought would qualify? Nancy KG0YL **MOVED** that we issue the 50-year Plaque for members that had been System member for 50-years, that the member must notify the System they were qualified to receive it, and that with the award, the member would receive a Lifetime Membership, and not be required to pay dues in the future. Gloria K4DXM **SECONDED, CARRIED.**

Randy then discussed the USA Award. With the propagation as bad as it has been, it is nearly impossible to contact members in Alaska and Hawaii. He suggested that we issue a Continental Award, which would include the 48 contiguous states, and the Canadian Provinces. During discussion, it was suggested that the Award should be for just the Continental US, with stickers available for adding Alaska, Hawaii and the Canadian provinces. Nancy KG0YL **MOVED** that Randy be authorized to finalize the details of the award, and that he be further authorized to implement it starting January 1, 2018, with the issue to be revisited in one year. Gloria K4DXM **SECONDED, CARRIED.**

Randy then suggested that the 25-year Certificate be issued as a plaque instead of a certificate. After discussion, it was agreed to leave it as a certificate.

Randy then reminded the Board that they were to elect three new members to serve on the Belt of Orion as contacts. He stated that coming off as contacts this year would be KC8UPU, KC8VRT and N1PVT. After discussion, Rose KL7FQQ **MOVED** to table the suggestion, and take care of it later. Gloria K4DXM **SECONDED, CARRIED.**

NEW BUSINESS: President Bobbie stated that the Renewal of the Web Page had been taken care of in the Budget, and that the renewal of our Articles of Incorporation had been taken care of.

Convention 2019: Rose KL7FQQ discussed the possibility of hosting the Convention in Fairbanks, Alaska. Larry AB3TY **MOVED** that the YLISSB authorize Rose to check into the feasibility of hosting the Convention in Fairbanks. Gloria K4DXM **SECONDED, CARRIED.**

40 Meter System in West: Larry AB3TY stated that KR0ARK (Roark) suggested that we start a 40 M system later in the day for those stations in the West. After discussion, the Board agreed that it would be a great idea. Steve, K4PHZ is 40 Meter coordinator, and should be involved in the mechanics. Perhaps he could make Roark an Assistant Coordinator for the West. No action taken.

Hats: Larry AB3TY had some delightful hats made for the Convention, in two different colors. He was selling them for \$22 apiece. And, most of the attendees at the Convention were wearing them. He suggested that the profits be earmarked for a special fund to defray some of the costs of future Conventions. Rose KL7FQQ **MOVED** that we establish such a fund, with the details to be worked out between Larry and Treasurer Bill. Larry AB3TY **SECONDED, CARRIED.**

Conventions: It was suggested that we cut down the length of the Conventions by one day. After discussion, Nancy **MOVED** that Larry and Bruce send out a questionnaire regarding the issue. The motion died for lack of a second.

Donation: Bill W7 AJP **MOVED** that the YLISSB donate \$100 to the Net logger producer. Bobbie K4ZGH **SECONDED, CARRIED.**

Net logger database: It was suggested that Bob NC4RP should have an assistant that could access the net logger database. Bob said he would check around, and see if he could find someone qualified.

Gloria K4DXM **MOVED** to adjourn. Rose KL7FQQ **SECONDED, CARRIED.**

Meeting adjourned at 3:01 PM

Adjourn approximately 2:00PM.

MEET THE CANDIDATES – ELECTION 2018

CANDIDATE FOR PRESIDENT

Rose Rybachek KL7FQQ #6098 TFO 19

I received my ham license in Fairbanks, Alaska in 1966, with the call KL7FQQ. I spent 50 years in Alaska before moving to Washington in 2006, and enjoyed every minute of it. Well, perhaps not the -70 temperatures. Thus, for the past 20 or so years, I have spent my winters in Texas. My husband, Stan, passed away in 2014, so I sold the property in Washington, and moved back to Fairbanks. I am very happy to be spending my summers in Alaska, but the winters in Texas are special.

I served as President of the YLISSB for eight years. I would appreciate your vote to serve another term. The YLISSB has seen many changes over the past several years and is now in its 54th year of existence. The System is getting modernized, and many of the members are at the forefront of this movement. The members are what make the System what it is. Thanks for your vote.

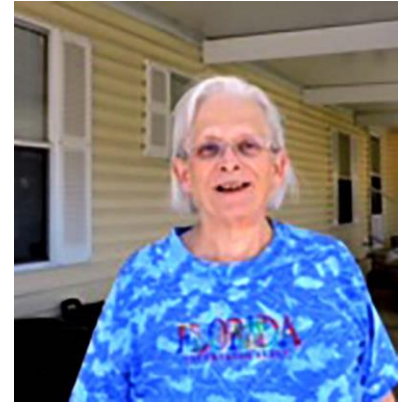

CANDIDATES FOR VICE PRESIDENT

Gloria Wells K4DXM #16780 TFO 533

Hello, I am Gloria Wells K4DXM TFO 533 I am a candidate for Vice President.

I joined the Navy in late 1966 and was called for duty in 1967, did my boot camp in Bainbridge MD. Went to Corps School in Great Lakes II. For the next 21 years I worked in the medical field. I received 2 purple hearts when they blew up my ward in Da Nang on multiple occasions. I served all over the world. In Iceland I learned to repair my own Laboratory machines. My last 18 months I went to night school for the equivalent of a B.S. in Electronics. I was hired by the postal service and spent the next 18 years repairing the machines that eat your mail. I retired and moved to Florida in 2005 with my sister Diane K4DMW.

We joined CERT and after training I took and passed the Tech test and a bit later so did Diane. A week after the Tech test I took and passed my general class. On 07-21-2012 I received my general ticket.

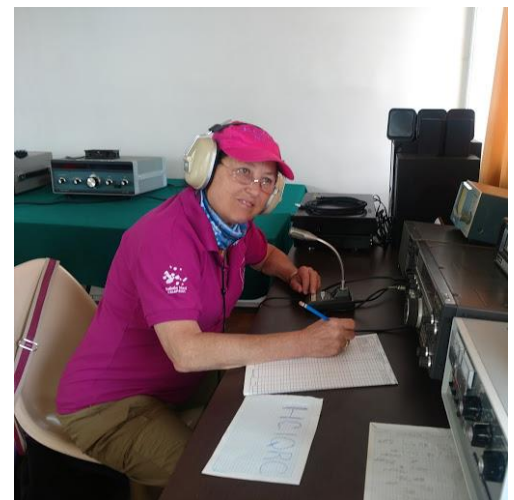

For 3 years I was the Citrus County Trainer for CERT setting up training drills and keeping up their monthly training.

After meeting JDA on the air she paired me up this VE1JIM and for the next several years I have worked the sunrise portion of the YL SYSTEM.

My off radio time is working on our HO train layout and Building plastic models for competition. I belong to IPMS (international plastic modelers society) I won a silver medal for my first attempt. My main interest is world war II armor and aircraft. I started the fifth chapter of AMPS, aka Armor Model Preservation Society Our chapter is based on teaching methods.

Nancy Yoshida KG0YL #16336 TFO 503

Hi! I am a 67 year old mother of one son, Michael a news reporter, and the wife of a very busy ENT, Glen. I live on a 30 acre hobby farm with one dog and many cats. I am an Occupational Therapist by education, having worked for 17 years in spinal cord injury rehabilitation and with swallowing disorders. I raced sled dogs from 2002 thanks to my son who got us started with sled dogs many years ago when we moved to North Dakota. Spring '09 I ran the Iditarod Sled Dog Race in Alaska. I broke my sled 8 miles out of Finger Lake and my race ended at Rainy Pass. I have volunteered at Iditarod since 2006 and now you can find me in Alaska every March volunteering for the race in the Education Department. I made the decision in summer '10 to close our Sled Dog kennel after 14 years of fun after an eye surgery that made it impossible to be out in the cold temps and wind without eye protection. I will always love sled dogs, but it just became too hard to keep it all going. I guess I am aging. I hope you enjoy [Nigel's Choice](#) and [Mike Races Again](#).

CANDIDATES FOR SECRETARY

Bruce Tisdale K9ICP # 16099 TFO 486

Bruce has been a ham radio operator since 1974 and a member of the YLISSB since 2005. As a member of the YLISSB he served as net control on the 40 meters, assisted with the awards program, was the host for the 2017 convention in Indiana, and currently is taking on the historian role for the system.

He is currently Amateur Extra. He serves as an ARRL VE, a ham licensure instructor and is one of the operators for the annual W9IMS (Indianapolis Speedway) special event operations. He earlier served as the president of an ARRL chapter club in northern Indiana and is currently the Vice President of his local radio club in the Indianapolis area.

He has been married to Patti for over 45 years. They have three children and ten grandchildren. He earned a Bachelor degree in Psychology and a Master degree in Public Administration from Indiana University. He worked over 40 years in healthcare administration and human resources management before retirement about in 2015. In addition to ham radio, Bruce has enjoyed researching his family history (genealogy) and distance running. He qualified and ran the Boston Marathon in 1990.

Elsie Janes N0ESJ #17118 TFO 560

I live on a farm with my husband Lynn N0PMQ, I also grew up on a small farm in south west Missouri. I am the 9th child in a family of 11 children. Lynn and I were married in April 2010 and we now live on the farm that Lynn grew up on close to El Dorado Springs, MO. Because Lynn was already a ham operator Aug. 1991, I decided to also become one, so on 18 April 2015 I passed my technician class test, with call sign KE0ESJ, which was changed to N0ESJ. Then on 24 Sept. 2015 I upgraded to General Class and the same night that I passed, Lynn pushed me into making my first HF contact that same night on OMS. Shortly after that I became a YL member. Also, I Became a member of the local Ares club which we are still active in it, with me acting as NC on Mondays, on 2m and 6m nets. Shortly after upgrading I applied for and became a VE examiner for ARRL which I still hold. Earlier in the year, Steve needed help on 2nd period, so I offered to help, and the next thing I knew Lynn and I were 2nd Period coordinators. But it was hard for one of us to be there 2 hours each day with running the farm and family activity. So, when Randy K4KRK needed to step down from award coordinator, we took the honor over. Then Judy asked us to also take over the TFO award, which we did. I now have a lot of YL friends and we are planning on making the Convention this year, but not sure yet.

CANDIDATES FOR DIRECTOR

Bob Davis WK8Y #16843 TFO 525

I have been an amateur radio operator since 1996 (former call KT4UL) and a member of the YL System since 2013. I am one of the controls during the Sun Rise and Former Coordinator for the third period.

I live a little southwest of Fredericksburg, Virginia and am married to a beautiful and amazing woman named Rose. We have three adult children two of whom are married but unfortunately no grandchildren as of yet.

I served in the Navy during Vietnam and am a member of the Naval Cryptologic Veterans Association. Afterwards, I was in commercial broadcasting for thirty years and then a federal contractor for almost ten.

I find that the most satisfying part of being a member of the YL System is the many friends I have made. If elected, I will do my utmost to serve the System family well.

Larry Kaplan AB3TY #16871 TFO 535

My introduction to the YLSYSTEM began the day I received my General upgrade and turned on my spanking new Kenwood 590s for the first time. Twirling the VFO, I heard a station on 14.332—W7AJP, Bill in Oregon. His wholehearted welcome drew me into a world I really did not know. Before I realized it, I was a control on the Moonbeam, then the Moonbeam Coordinator and had added the hat of The Voice editor. Somehow, I have become the Daytime Coordinator also.

As a Director, I will share my Moonbeam, Voice, and Daytime Coordinator experiences to help assure the continued growth of our vibrant System Family.

Larry AB3TY #16871 TFO 535

"Sorry OM, I can only work QRP at the moment!"

Silent Keys - June 2015-June 2016

Eternal Rest Unto Them - May They Rest in Peace

As the Condolence Chair I compare the monthly QST magazine SK list against our YL membership database in order to identify our members that are no longer with us. We currently send out simple Hallmark-type sympathy cards with an added enclosure that reads...

In Memoriam

When a ham becomes a "Silent Key"
It makes us stop and ponder
Their shack is closed, their key is stilled
We'll hear their voice no longer.
But in this time, their YL friends
Recall, with sad eyes glistening,
That though we cannot hear their call,
They are, of course, still listening...

Since, in the normal course of events, our members won't see the above memoriam, I thought I'd include it here. When I work through my current supply of sympathy cards, the Board has approved producing our own cards, with our logo on the front and the memoriam on the inside.

The following YL members have passed since I took over the Condolence Chair:

Robert J. Runaldi - W1CNY
Scott K. Brackeen - AI1M
Albert E. Bacon - N7AEB
Richard H. Pierce - K8TSH
Leonard F. Romanek - KY8O
Douglas J. Rider - KC7JC
Howard W. Brewer - K7HSM
Kenneth J. Perry - AL7GA
Charles F. Sharpless, Jr. -
K5HDV
James M. Copal - AC4UI
Marilyn J. Webb - WM2W
David J. Landau - W4DJL
Henry Schneider - W5HNS
Larry K. Miller - W7CB
Russell V. Fillinger - W7LXR
Kenneth E. Snedeker - N9AK

John G. Zach - K9IAC
McKee H. Gifford - WA3EXX
R. Floyd Gerald - N5FG
Robert E. Guritz - KL7IAA
John Anderson Jr. - A8UNP
Ralph L. Crowell - K9ZIZ
Joseph J. Bednarz, Sr. -
N4SOJ
Clifford J. Buck - W5CJB
Thomas R. Horton - K5IID
Rebecca J. Young - KA8HED
Joklahr Keller - WD8JPF
Richard B. Breckinridge -
WA9BXX
Charles L. Henry - W9LMT
Delbert R. Rapp - WB9UKG
George F. Franklin - W0AV
John Wightman - ZL1AH

It is always sad when a card is returned as undeliverable by the Post Office. Please make sure that the YL System has your latest address on file. Thank you!

OBITUARIES – 2017

Joanne (Jodie) Law AB0EC 15322 August 25, 1925 – October 14, 2017

Joanne (Jodie) Law passed away on October 14, 2017 in Harlingen, Texas. She was born August 25, 1925 in Detroit, Michigan, to Lucille and Bruce Law, and later adopted by Jay and Gladys Law. Jodie is preceded in death by her parents. Left to cherish her memory are her companion Patricia (Pat) Stotler and Pat's family, Carol Turner, Elaine (Neal) Scheer, and many nieces and nephews along with many loving friends.

After serving in the Women's Army Corp during the Korean war, Jodie worked in the family business as a glass blower and then worked for the Police Department in the City of Wichita, Kansas, as a police service officer. When she retired, she was active in: Holiday Ramblers Travel Trailer Club, Ham Radio, Harley Davidson Club, CRAB Motorcycle Club, Elks Club, American Legion, Zoomer's Remote Car Club and bowling. Jodie served the YLISSB as Treasurer for several years, and was a member of the Emeritus Council.

Jodie also enjoyed playing bingo. She was very interested in music and played a mean Boogie-Woogie on the piano. Jodi loved dogs, so in lieu of flowers, a donation to the Humane Society of your choice would be appreciated.

John Stephen Benka, Jr. KF6JG 12198 TFO 538 February 22, 1935 – October 23, 2017

John was a long, long time member. If you did not have the pleasure of knowing him, you cannot appreciate the friendship he projected for anyone he met. His heart was as tall as his six-foot-three frame. As a U.S. Navy Vet, red, white, and blue coursed through his veins.

His passing has left a giant blank space on our logs.

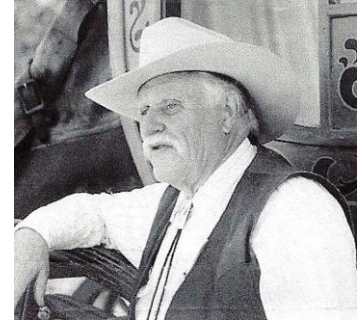

Larry AB3TY

Frederick Charles Harman, III NOJSP 15686
May 21, 1927 – October 10, 2016

Fred grew up in Pagosa Springs, CO. After serving in the Navy during WWII, Fred attended Ft. Lewis College earning a degree in Animal Husbandry, but his passion was electronics, a bug he acquired after building a crystal radio as a young boy.

Setting his college degree aside, Fred applied for a job at CBS radio in NYC, was hired and sent to Syracuse, NY. When TV became the medium to be in, Fred transferred to the CBS Television Division and retired as Director of Broadcast Operations in 1982.

Fred returned to his Colorado roots to become active in the Pagosa Springs community and opened the Fred Harman Art Museum dedicated to his father, the man behind comic strip character Red Ryder - America's famous fighting cowboy.

It is with great sadness that we note the passing of:

Kevin Newberry KN4AA #15808 TFO 422

YLISSB AWARD PROGRAM - 2017

ADMINISTRATIVE:

REV. 07-28-16

1. The Sidebander's Award Program is an HONOR SYSTEM. This means, that as a member of the YLISSB, you are on your honor. When you say that you have met the requirements submitted on any application, that's it!

QSL cards are NOT required – only log extracts. The minimum information required is Date, Time, Call Sign, Sideband Number, and Frequency. Additional information is acceptable, but not essential. A minimum signal report of 2 - 2 is required. If either number is a 1, it is not acceptable.

2. Each award is administered by an Award Manager. Upon completion of your application, send it, and any fee, to the appropriate manager.
3. Print as clearly as possible, so that there will be no question as to your meaning of an entry. PLEASE!!! Use only one side of the paper and put your call on the top of each page.
4. Make fees payable to the appropriate Award Manager.
5. Award Managers will NOT facilitate any request requiring research of prior certificates, or numbers. Once issued, it is also each member's own responsibility to maintain records for future application of awards requiring the submission of certificate dates, and numbers – such as the Pegasus.
6. All Awards may be completed on any band or combination of bands during regular session(s) of the YLISSB, unless the particular award requires that it be competed on a specific band or session of the YLISSB. A member station may be used only once for an award unless the award rules specifically state otherwise.

All awards may again be completed for almost any endorsement that you may desire. These may include all YL, all OM, all VW Beetle mobile, all XYL, or multi-band. The potential is virtually endless.

7. If you have earned a specific award for which your call sign should be listed in the annual copy of the VOICE, and your call is NOT listed, it is your responsibility to notify the respective award manager.
8. After many changes of managers, over more than a 50-year history of our organization, things do get lost, or inadvertently missed. If you say you have a certificate, which is not listed, send the information to the current Award Coordinator, or the current President, for inclusion in the next issue of the Voice.
9. The Pegasus award represents the level of achievement on the part of a member requiring a very significant effort. It takes 1500 points, earned from a combined score of individual awards, and plaques, to qualify for "The Pegasus". The number of points earned for each award are shown as a parenthetical notation immediately following each awards title.

SECTION I	<u>REGULAR AWARDS – CERTIFICATES</u>	Page 43
SECTION II	<u>SPECIAL FLOATING AWARDS – CERTIFICATES</u>	Page 54
SECTION III	<u>PLAQUES</u>	Page 55

SECTION I, Regular Awards - CERTIFICATES

8 ½ by 11 INCHES – SUITABLE FOR FRAMING

ASIA – (5) Fee - \$5.00 US

Start date August 1, 2006 Contact 5 member stations, each in a different country of Asia.

ALL STATES – (5) Fee - \$5.00 US each – Start date January 20, 1969

This program consists of 50 separate certificates. Each State Award is achieved by contacting 10 Member stations in that State. This fee includes a certificate and the cost of a plaque upon completion of all 50 State certificates.

EXCEPTION: Fee - \$1.00 US each

IF you DO NOT want the certificate, but just want a Number issued for record this fee will apply. This will count only for record. If you later desire to obtain the plaque, the cost of a plaque will be required at that time. By rendering the \$5.00 for each State Certificate, you are at that time covering the future cost of a plaque upon completing all 50 State certificates.

APOLLO – (10) Fee - \$5.00 US Start date August 1, 2006

Contact holders of the TFO Certificate, the TFO Trophy, or The Rigel Trophy. A total of 100 points is needed for this certificate. Additional certificates may be earned – but no call or number may be repeated.

POINT SYSTEM: 1 Point for a TFO Certificate Holder
5 Points for a Trophy Holder
10 Points for Holder of Both Trophies
11 Points for TFO and Both Trophies

ARTA – (10) – AMATEUR RADIO TEAM AWARD - Fee - \$5.00 US

Start date February 9, 1963 - Contact 25 member teams. A team consists of a husband & wife, brother & sister, mother & son, father & daughter. Upon completing this award 4 times totaling 100 different teams, you become eligible for an ARTA plaque. Costs of an ARTA Plaque will be determined at the time of the application.

AUTUMN AWARD (10) Fee \$5.00 US Start date September 1, 2006

This award is earned by working any 50 members during the Second and Third daily periods and ONLY during the months of September, October, and November.

BELT OF ORION (10) \$5.00 US Start date – Annually as of January 1st – Starting 2017

Three new call signs will be added each year and three will be removed each year to insure currency and provide new operating challenge.

Contact 10 of the following 12 members.

W1VCU, NF2J, K4DXM, K4KRK, W7AJP,
WK8Y, K4PHZ, K3ILA, NC4RP, KE7VSC, KD0VEP, K5SSL

BIG RIG MOBILE: (25) \$5.00 US Start Date: August 1, 2009

Issued for contacting member stations, that are mobile, in a “BIG RIG” per DOT weight class of 26,001 pounds or more and intended for Commercial Interstate transit, within the lower 48 States.

If a member is physically driving a Commercial Vehicle, that is considered a single unit vehicle – with a minimum of 10 tires on the pavement, and in Commercial transit across State lines, this vehicle may also be accepted for credit.

In the event that there may be a member, who is also in the U.S. Armed Forces, but also driving a vehicle that meets the requirements of a Military Heavy Transport Vehicle, this too would be acceptable.

In that this award has in the past been intended for the “lower 48”, it is also possible to get a certificate for the 49th and 50th State - after getting the required “Lower” 48 State certificate. Work them - save them - for the other 48 to be completed.

Thus, this means that one might be able to get 3 Mobile WAS certificates while working the 50 individual States.

CANADIAN RHAPSODY – (10) Start date: January 1, 1990, Fee - \$5.00 US

Contact a member station each of the Canadian Provinces.

Alberta	Ontario
British Columbia	Prince Edward Island
Manitoba	Quebec
New Brunswick	Saskatchewan
Nova Scotia	Newfoundland / Labrador

Contacts may be on any band, any mode.

CENTURY – (50) Fee - \$5.00 US Start date January 1, 1992

The initial award is issued for working a mix of YL / OM members with membership numbers ending with 00 through 99 – equaling a total of 100 contacts. Even though beginning is acceptable at any time, the 100 contacts must be within the same calendar year. Should you not complete the 100 required contact within the year, you have the challenge of beginning again on January 1st.

Additional categories have no time limit, and are completed without having to start over, each January 1st. By using the same concept of 00 through 99, there are 3 additional endorsements available:

Category 2 – All YL	NOTE: USE A SEPARATE
Category 3 – All OM	SHEET FOR EACH
Category 4 – All TFO	CATEGORY

If a contact applies to more than one category, it is acceptable to apply that contact in each category that the requirement is met.

CONTINENTAL AWARD (25) Fee - \$5.00 US Start date January 1, 2018

Contact member stations in the 48 continental states (excluding AK and HI), plus the Canadian Provinces (excluding the Canadian Territories). This award may be earned by combining contacts on all bands during regular sessions of the YLISSB, or a separate award for each band. Additional endorsements in the form of stickers may be earned by contacting a member station in Alaska and/or Hawaii.

DEVOTIONAL – (25) Fee - \$5.00 US Start date January 1, 1969.

This award is issued for working 50 member stations of the Clergy. The Clergy is not limited to any denomination, faith or religion. Typical Clergy is defined as anyone dedicated to full, part time, or interim work with a congregation, denomination, or a person that has completed Seminary or other Religious School training.. It could include a Minister, Priest, Rabbi, Nun, Missionary, Seminary Teacher. Any member that is retired from any of the above listings would also qualify as Clergy.

The individual member is the final determination as to whether or not they are a Devotional. There is no specific criteria that specifically qualifies anyone.

EYEBALL FELLOWSHIP AWARD – (5) Fee \$5.00 US: Effective January 1, 2017

Within a 12 month period, personally meet members of the System that live at least 50 miles from your home QTH. Contacts made at any Convention are not eligible for this award. The award can be repeated annually, or all three levels can be earned in a specific year. The levels of the award are:

Level 1 – (5)	Meet Three (3) Members
Level 2 – (5)	Meet Six (6) Members
Level 3 – (5)	Meet Ten (10) Members

EUROPE – (5) Fee - \$5.00 US - Start date August 1, 2006

Contact 5 member stations, each in a different country of Europe.

FULL HOUSE – (10) Fee - \$5.00 US Beginning April 1, 1994

This award is issued for working 100 YL or OM members, and using their respective membership and TFO number to make up a “Full House” poker hand. This award has 4 endorsements – each requiring 100 contacts after the original certificate is issued.

EXAMPLES: Member # 9571 and TFO # 171 = 3 #1 and 2 # 7
or “Full House” hand of 7-7-1-1-1

Member # 10600 and TFO # 180 = 4 # 0 and 2 # 1
Discard a 0 for “Full House” hand 3 # 0’s and 2 # 1’s

FULL HOUSE – (10) Fee - \$5.00 US Beginning January 1, 2018

This award is issued for working 50 YL or OM members, and using their respective membership and TFO number to make up a “Full House” poker hand. This award has 4 endorsements – each requiring 50 contacts after the original certificate is issued.

EXAMPLES: Member # 9571 and TFO # 171 = 3 #1 and 2 # 7
or “Full House” hand of 7-7-1-1-1

Member # 10600 and TFO # 180 = 4 # 0 and 2 # 1
Discard a 0 for “Full House” hand 3 # 0’s and 2 # 1’s

GLOBAL – (50) Fee - \$5.00 US Beginning September 1, 1996.

This award takes 12 month to complete. Contacts are made with members on a monthly basis – not calendar year basis. A total of 30 contacts are needed for each month in the following categories:

12 TFO
12 OLD TIMERS with # below 16,000
3 DX MEMBERS
3 NEW MEMBERS with a # above 17,289

The NEW MEMBER number will be adjusted annually and listed on the web site, in the “Communicator”, and the System’s “VOICE”. However, the number will

NEVER be more than the latest 300 membership numbers.

GOLDEN FIRESIDE – (25) Fee - \$5.00 US Start date January 1, 1980.

Issued for contacting a YLISSB team in all 50 States. Both must have a member number AND both must make their own contact and exchange reports without assistance.

Contacts may be on any combination of System frequencies or modes. Contacts off System frequencies during the annual QSO Party are acceptable.

GOLDEN SEXTANT – (25) Fee - \$5.00 US Start date January 1, 1978.

Issued for working 10 members on any one continent other than your own.

KING NEPTUNE – (15) Fee - \$5.00 US Start date January 1, 1975.

Issued for working a total of 30 contacts – 15 US and 15 DX.

Multiple certificates may be earned, each worth 15 points, with NO repeat contacts from prior certificates.

LOUISIANA PURCHASE AWARD (5) Fee \$5.00 US Start date January 1, 2017.

During any calendar month, contact member stations in each of 15 states or Canadian Territories included in whole or part of the Louisiana Purchase.

The purchased territory included the whole of today’s Arkansas, Iowa, Missouri, Kansas, Oklahoma, and Nebraska, parts of Minnesota and Louisiana west of Mississippi River, including New Orleans, big parts of North Colorado as well as portions of Canadian Provinces of Alberta and Saskatchewan.

SECTION III: PLAQUES

ALL STATES: (50) When all 50 individual State certificates are collected, the holder may then apply for an All States 10 by 50 Plaque.

The cost of the plaque will be determined at the time of application, UNLESS the applicant rendered \$5.00 for each of the 50 certificates. If the \$5.00 fee was paid each time, the Plaque will be free to that person.

The All States Plaque will be worth an additional 50 points toward the Award Program in addition to the (5) points earned with each of the State Certificate.

CORNERSTONE - (50) Fee NONE

This is a Plaque represents EXCEPTIONAL recognition to a member for service rendered over an extended period of time that would have otherwise left the System's membership less informed – without a valuable service having been provided – or caused.

Without this member doing what they have done for an extended period of time - the System would not have evolved into the organization it is today.

This is not intended for doing something for a short period. It is meant to cover a minimum of 3 years.

This exceptional member would be in the 1 % group.

Any member may at any time submit information to the System Secretary with the name and call sign of a member that they feel meets these criteria. This very detailed presentation will then be discussed by the then governing officers and a decision made as to whether such an award will be issued. The member making the recommendation and the results will be kept in strict confidence at all times.

MOONBEAM: (50) Beginning February 9, 1980

This plaque is achieved ONLY for operation on 14.332 MHz. during the evening controlled Moonbeam portion of the System

It requires contact with 1000 different members. No credit will be allowed for calls from different locations – one call – one time only.

A member operating from a country with a prefix of a country other than their native residence is an exception. Example: 8P9 / K4ICA.

This plaque will be awarded at the time of application upon approval of all requirements by the Award Manager.

Any costs for this plaque will be determined at the time of application.

PEGASUS: As of August 1, 2006

This award will be the high point of achievement, for a very significant effort, on the part of a member. It takes 1500 points, earned from a combined score of individual awards, and plaques, to qualify for "The Pegasus".

Being that the Pegasus is the ultimate goal of the Award Program – there will be no point value – but a lot of serious bragging rights - well earned.

This is not a trophy, and really not a plaque. It is a tall and elegant acrylic creation that is etched in an impressive monumental type pillar.

The Pegasus will normally be presented at the Annual Convention.

The fee for the Pegasus will be determined at the time of application.

The PEGASUS is a Once in a Lifetime Award

RIGEL: (50) As of August 1, 2006

This award has been changed from a trophy to an individually designed plaque.

This award is granted on an annual basis as designated by the then governing members. It is intended as recognition for exceptional service by a member serving as a System Control on any or all of the System's controlled sessions.

The Rigel Plaque will normally be presented at the Annual Convention.

There is NO fee to be incurred by the member receiving this honor.

The RIGEL is a Once in a Lifetime Award

SILENT SERVICE AWARD: (100)

This award is presented by the then current members of the Board of Directors, with no specific begin date.

This award is for a member that "SILENTLY" performs a duty or service to the System that most members generally are not aware of.

The intent is to render recognition to those that have quietly and without recognition performed for an extended period of time, but never less than 3 years.

The initial award was a team award to Rex and Marilyn White, at the 2009 Convention in Washington State. As a team, Rex had been the Scholarship Fund Custodian, and Marilyn had overseen the operation of the Convention Boutique for well in excess of 10 years. Both instances, behind the scene, were very essential. Both were exceptional examples of "Silent Service".

There is NO requirement for this award to be an annual presentation. This is entirely up to the current Board of Directors.

TFO of the YEAR: (100)

As of August 1, 2006, this award has been changed from a trophy to an individually designed plaque.

This award is awarded annually as the result of TFO Certificate holders voting for the TFO that they feel is that years roll model of what the Top Flight Operator program is intended.

The TFO of the Year Plaque will normally be presented at the Annual Convention. A Certificate will be presented at the time the award is announced.

There is NO fee to be incurred by the member receiving this honor.

The TFO of The Year is a Once in a Lifetime Award

TFO OF THE YEAR TROPHY HOLDERS

Each year, holders of the TFO Certificate and trophies vote for the TFO of the year.

AMBASSADOR CORPS

The Ambassador Corps is a selected group of members that exhibit the attributes of our Credo, "We believe in the Dignity of Man." This elite group of members will strive to do all within their power to promote amateur radio, to help build friendship among all peoples of the world, to be of service to their fellow man, and to promote the YL System. This ambassadorial activity is not limited to that done on the air, but includes service off the air, and in the local community as well."

AMBASSADOR EXTRAORDINAIRE

2016 Judy Nurenberg KC7KPG
2017 Rose Rybachek KL7FQQ

The recipient demonstrates the use of diplomacy in representing the YLISSB System, welcoming guests and returning members with equal enthusiasm and respect, promoting the System in the way that has kept it going since its inception in 1963, and most of all, kept and maintained a level head when dealing with any type of adversity, no matter where or when it arose on the system."

During the month of November, the membership is able to nominate any member they feel fits the above requirements....paid up members will vote on the persons so nominated with our regular ballot in January and February.

ELIGIBILITY FOR NOMINATION TO TFO

During 2017, you may nominate any member for TFO if their Sideband number is lower than the number shown to the right of the month, as shown below.

January	17152	July	17234
February	17169	August	17246
March	17186	September	17256
April	17201	October	17261
May	17216	November	17270
June	17228	December	17277

YLISSB MEMBERSHIP LISTS INFORMATION

The following membership lists include everybody who meets the following criteria:

The person currently holding the call is the same person to whom the number was issued. The person must not have been reported as SK.

The call must be found in the FCC database and must not be expired (US only).

For DX stations the call and name must be listed in Buckmaster's Hamcall database or the QRZ.com database.

Excluded are old calls, SK's, expired calls and cancelled numbers.

Only the most current calls are listed. Every effort has been made to remove old call signs from the lists.

If a person has not been "active" on the system for years, they are still listed if they still have an active FCC license. Payment of dues was not a consideration when compiling the lists.

Occasionally members who have been excluded from the lists will come up on the system. If I am notified of such I will update my database and mark them as "active". They will then show up in the next published issue of the Voice.

Please let me know if there are any errors, omissions or changes to be made in the membership lists. I want to make these lists as accurate and complete as possible.
